Thus far December is off to a great start as more of our wonderful animals find their forever homes. This week saw some of our 'long-term' pets find their new homes. So for those who keep track of our pets you can be happy for BJ & Pepsi who left us to a new home together, Belle & Carrie who also went to a new home together, Shadow the temperamental Siamese mix found the perfect and understanding home, Arrow the Heeler mix pup left with a super family, Solomon who left us on Saturday for a new home in Montgomery and others who now have families to call their own. Adoptions like these are what keep us working as hard as we do!

Saturday turned out to be a gorgeous day for the Wetumpka Christmas on the Coosa Parade and our staff had fun showing off some of our dogs and sharing the fun with the huge crowd. Thanks to everyone for coming out to support such a wonderful event!

We will be back at the Prattville PETsMART this coming weekend (15th & 16th) for pet and Santa photos and pet adoptions from 11-4 each day. Don't miss out on this great opportunity to get a great keepsake picture of your pet, perhaps find a new family member or knock out some gift shopping for your favorite furry, feathered or even scaled friend!

If you are shopping for gifts on a budget come check out our Tail's End Thrift Store! With everything from clothes, furniture, toys, collectibles and everything in-between there is something for everyone. Our store is open 9 am – 3pm, Thursdays through Saturdays at our shelter location – 255 Central Plank Road (Hwy 9), Wetumpka. And if you want to help others in need we also have Thrift Store vouchers you can purchase. With these vouchers the recipient can come on their own time to find items they might need. And if they don't use the full value of the voucher, we will reissue them another with the remaining value so they can shop at a later time. Now isn't that just a great way to help a person in need and our shelter since all Thrift Store proceeds go to the care and upkeep of our animals!

Our winter newsletter hit the post office on Friday afternoon, so look for it in your mailbox this week. If you don't receive one let us know so we can send one to you and make sure you are on our future mailing lists!
